7 March 2023

Dear Parents/Guardians,

We are approaching the end of Term 1 and the holidays will begin from 11 - 19 March 2023. We trust that this term has been a fruitful and meaningful learning experience for your child/ward. We hope that our students will continue to do their best and **Go for Excellence** for the rest of the year.

### Start Well • Do Well • End Well

Our students have started off well and we will remind them to keep at it so that they will finish the race with a sense of achievement and pride.

<b>Term 1: Start Well</b>	A good kick off sets the purpose and pace for success for the rest of the year. The battle is half-won when our students begin with goals in mind and keep to them.
<b>Term 2 &amp; 3: Do Well</b>	Reminder to sustain the effort and not to give up. Our students must have the resilience to stay the course and persevere in what they have started.
<b>Term 4: End Well</b>	To push on in the last leg of the race to finish well. We reap what was sown earlier and we celebrate the outcome, the culmination of all the effort put in.

### School Values & 21<sup>st</sup> Century Skills

Our School is committed to facilitating student learning and leading them to achieve the desired student outcomes as **Critical Thinkers, Self Directed Learner, Confident Persons and Leaders with Character**. To do this, values education and teaching of 21<sup>st</sup> Century Skills including social skills, play an important part to help students forge positive relationships — and better understand what other people are feeling and thinking. We want our students to become responsible members in their families and communities, and better citizens. As such, we have put aside the 1<sup>st</sup> day of every term for students to **Start Well • Do Well • End Well** where our students will be going through a series of activities prepared by our teachers when they report back to school.
